Subject: Request for urgent intervention to stop the deportation of the Ms. Hashina Begam, a Rohingya refugee staying in India

Dear Sir,

Human Rights Alert (HRA) has come to know from reliable sources that one Ms. Hashina Begam a Rohingya refugee staying in India is scheduled to be deported to the Myanmar tomorrow 22 March 2022 from Moreh in Tengnoupal District, Manipur. She is reportedly picked up from the holding centre in Jammu at Kathuwa Sub-Jail by the Government authorities on 15 March 202. Her husband and three minor children are still living in the holding shelters in Jammu.

Considering the political turmoil that is going on inside Myanmar, the persecution that the Rohingya community suffers from the authority as well as the fact that the lady is separated from her immediate family who are still in Jammu, it is highly unsafe for Hasina to be deported back to Myanmar at this point in time.

HRA humbly request the Hon'ble Commission to kindly make prompt intervention to stop the deportation as it violates not only the *Principle of Non Refoulement* enshrine in Article 14 of the *Universal Deceleration of Human Rights* but also the right to life which is a fundamental right guaranteed to all persons by Article 21 of the Constitution of India.

Thanking you in anticipation for the prompt and immediate action of the Hon'ble Commission for this very urgent matter.

Yours sincerely,

(Babloo Loitongbam)
