

Regarding freezing of FSI as on the date of notification or as may be amendment from time to time by the urban local body is concerned, we may freeze it to the date of new notification with a rider that the urban local body as and when propose to amend the same, would approach the MOEFCC through the SCZMA and NCZMA for obtaining its permission before giving its final effect of revised FSI in the CRZ area for building and other construction projects. The SCZMA and NCZMA shall examine various aspects of availability of public amenities, environmental protection measures, etc while considering such proposals.
